

We are a Chiswick based residential property consultancy that provides in-depth experience in the disciplines of estate agency, residential lettings, property management, property staging and interior design – a blend of expertise not commonly found in estate and lettings agency businesses.

Having this multi-faceted capability enables us to deliver success to our clients that are seeking a more bespoke and discreet experience than typically offered by high street estate or lettings agents.

## Clients value our integrity, energy, expertise and unbiased advice...

The core values of our business are; integrity, clarity and success. Our advice and services are delivered from a trusted platform of professional qualification, experience, dedication and a wealth of in-depth knowledge. # What is the new meaning of Bespoke?...

We work with an adaptable approach to our processes to suit individual clients requirements. For example; many of our clients want to avoid public promotion and seek discreet introductions. Over 70% of our transactions are completed without public marketing. We spend less time promoting ourselves and more time combining modern online marketing with a lifetime of networking to introduce the right person in the right way.

### More doesn't mean more...
